HAND DRIP™

Premium COFFEE

*Why pay for an expensive and messy
coffee maker when all you need is boiling
water for a high quality single cup of
HAND DRIP™ COFFEE?*

What is Caffè Borsa™ coffee?

It's only the most convenient, cost-effective, clean and cutting edge coffee experience on the market. Instead of purchasing a pricey single-serving coffeemaker and being tethered to it or buying lackluster, overpriced brews on the go, Caffè Borsa™ provides single cups of *Fresh, Gourmet-Quality Coffee Anytime, Anywhere*

Why go through all this trouble?

- Buying a coffee machine
- Grinding beans
- Storing in vacuum containers
- Measuring ground coffee
- Using messy and difficult machinery
- Waiting for a machine to brew
- Throwing away dirty filters
- Cleaning machinery

When you can:

Pour hot water into a Drip Bag™ right in your cup and enjoy Gourmet Premium Coffee?

No Machines Required!

Caffè Borsa™ HAND DRIP™ coffee is made using a special paper material technology designed to create great-tasting high quality coffee in your cup, each and every time.

Why Caffè Borsa™?

- Portable • Long Shelf Life • Easy to Store
- Sanitary • Simple to Make
- No Messy or Difficult Machinery
- Perfect Serving Size

SUGGESTED USES:

Keep them at your desk, in your car, or even pop a few in your bag ~ these airtight packets are perfectly portable and boast a long shelf life.

ALSO GOOD FOR:

-  TRAVEL
